Revision 1.0

1 Moorings, Berths, and Jetties

Moorings and berths / jetties provided by SZC shall be:

- Subject to regular maintenance & inspection to ensure structural integrity is maintained.
- Where appropriate, subject to mooring plans to ensure specific vessel arrivals have been considered in terms of mooring line configuration and bollard loading.
- Subject to risk assessment in terms of mitigation and use during periods of adverse weather.

Vessels should only be permitted to use Moorings, berths or jetties that are designed to accommodate their characteristic dimensions and tonnage and have obtained permission from the Harbour Master or a designated deputy.
